

FATHER GOD KNOWS

A yielded heart and surrendered life is the Godly answer to end all strife

The Holy Spirit is free to woo, and it's best for us if we let Him too!

He knows precisely what needs to be done, to draw our attention to Jesus the Son.....

the only way to the Father - a repentant heart

Assurance of forgiven sins, born-again, so you can start.....

New life filled with purpose, endowed with power from above...

To fulfill your 'God-potential', planned by His love.....

Many would claim to know Jesus as Saviour, but can't, won't or refuse to yield to Him as Lord

which is such a sad loss, torn by world, flesh and Cross, and will lose out on joy of reward.....

also blessings right now which veiled eyes fail to see, ordained by the Lord's hand!

He has no Plan B!!

Opportunities that we should be alert not to miss, pre-destined by His Hand, prepared for such a time as this!
