

START AS YOU MEAN TO GO ON! (2 Cor 5 v 17)

If you've added God on to your baggage

instead of handing your baggage to him

You'll struggle to 'keep up appearance'

In your own strength, your light will be dim.

You'll find life-long habits a struggle to break,

Satan will pursue you, guaranteed, no mistake!

He doesn't give up easy, when we've stepped from dark to light

Ephesians 6 lists your God-given armour.....

The name of Jesus, your sword for the fight!

So why not, right at the start, when you give Christ your heart,

do a U-turn on all that is wrong,

Take God at His Word, yield to Christ as Lord.....

Spending quality time makes you strong! AMEN!
