

TRIBUTE TO NOAH!

It didn't rain while Noah was building the ark,
but on completion, judgement waters soon came.....

Noah heard from the Lord - he trusted, obeyed
and though mockers and scoffers tried to put him to shame
he still went ahead with what he knew he'd to do.....

Persecution maturing his faith the years through....

He clung to the Word he had heard from above,

In due time reaped reward of God's mercy and love.....
